Limited Review Report – Financial Results

To the Board of Directors of Regency Ceramics Limited,

We have reviewed the accompanying statement of unaudited financial results of REGENCY CERAMICS LIMITED ("the Company") for the quarter ended 31st December, 2019 and year-to-date results for the period from 1st April, 2019 to 31st December, 2019 ("the statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial information performed by the Independent Auditor of the Entity*, issued by Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatements. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

1. Manufacturing operations of the company were stopped due to riots, strike and malicious damage at factory since 27.01.2012. The condition of the fixed assets, raw materials, stores and spares and its present realizable value could not be estimated, not insured and disclosed at book value after providing depreciation on Fixed Assets on account of efflux of time.
2. During the period from 01.04.2012 to 31.12.2019, the company has provided the provisional liability towards salary, wages and other benefits to its factory employee's upto 30.09.2012. Further, the company has not provided for its liability towards Gratuity and leave encashment in accordance to Ind AS-19 "Employee Benefits". The company could not compute the liability in the absence of complete records.
3. There are no confirmatory letters in respect of Debtors, Creditors, loans and advances and other current assets.
4. The company did not provide the interest on secured loans in respect of four lenders where the account were settled under OTS. An amount of Rs.66.33 Lakhs for the current quarter and Rs.2227.75Lakhs up to 31.12.2019 debited and interest reversal of Rs.2106.66 lakhs credited by one bank was not provided in the books as the company is disputing the same.

5. The company has not provided the liability towards interest and penalties payable on account of statutory dues and we were informed by the company that the statutory authorities shall waive the same in view of the unprecedented incident.

Based on our review conducted as above, we are unable to comment on the financial statements due to non-availability of information/damages suffered by the Company due to fire and violence by the workers at the manufacturing facility situated at Yanam.
